

The Educational Service Center of Northeast Ohio (ESCNEO) is pleased to welcome all educators not currently employed within a school/district to join the ESCNEO Local Professional Development Committee (LPDC). With the passage of House Bill 438, effective Sept. 28, 2018, licensed individuals who are not employed in schools/districts with a LPDC, may work to renew their licenses through a cooperating educational service center's Local Professional Development Committee (LPDC).

The registration fee associated with working under this LPDC is \$50.00 per five-year license cycle and is non-refundable. The fee must be paid prior to the LPDC processing the Individual Professional Development Plan (IPDP). In order to begin accruing professional development hours, the IPDP must first be approved by the Educational Service Center of Northeast Ohio's LPDC. **Any activities completed prior to the IPDP being approved cannot be accepted.**

By agreeing to work with the ESCNEO you are agreeing to the guidelines set forth in the Educational Service Center of Northeast Ohio's LPDC manual, which is located at <http://www.esc-cc.org/FormsInstructions.aspx>.

Please contact [lpdc@escneo.org](mailto:lpdc@escneo.org) with any additional questions you may have.
