

PATHWAYS MENTOR PROGRAM

You can make a difference in students' lives

Pathway Mentors will work with students in the Pathway Program at Central State University and Eastern Gateway Community College to:

- Provide guidance as a trusted role model
- Assist students towards a meaningful experience in their education licensure program
- Provide career mentorship towards their career

**We want to help you become an Ohio
change leader for the next generation.**

Do you want to provide leadership to the next generation?

Do you want to support students who need your help?

Do you want to earn extra income?

Have you thought about being a mentor?

For more information about becoming a mentor, please contact
Deb Tully at dtully@oft-aft.org.

MORE INFORMATION ON THE PATHWAYS MENTOR PROGRAM

Mentor Responsibilities

- Work closely with no more than five students as they proceed through the program.
- Conduct regular meetings with students.
- Speak with students via telephone, email, or texting.
- Assist students in the enrollment process.
- Assist students in the course selection process.
- Follow-up with students as they proceed through their coursework.
- Identify support systems within Central State University and Eastern Gateway Community College for students who encounter struggles.
- Provide insight to students as they prepare for student teaching and the licensure process.
- Participate in a weekly Zoom with other Mentors from the program, hosted by Central State University and Eastern Gateway Community College.
- Complete the Pathways Mentor Bi-Weekly Report in order to track activities, identify any issues with mentees, and submit hours and expenses for payment.

Mentor Compensation

Pathway Mentors will receive an honorarium of \$1,000 upon successful completion of the Pathways Mentor Training Program.

Pathway Mentors can then work up to 10 hours per week (no more than 20 hours per pay period) at a rate of \$25.00/hour.

Mentor Training Program

- TRAINING 1: The basics of the Pathways Program: What it means to be a mentor/what to expect
- TRAINING 2: Enrollment Management Process
- TRAINING 3: Central State University and Eastern Gateway Community College academic programs (online, etc.) and support services (tutoring, TEAP-C, Student Teaching, Licensure, Career Services)
